Dear Parents/Carers,

Thank you to those parents who joined us for our Parents Evening at the end of last month. Obviously, we would much prefer to have you in school to meet with the teacher but at this time it is not safe to do so. I am aware that some of you had technical difficulties, which is frustrating for us all. Our next Parents Evening will be in February and I think we will still be in the same position so we will be using the School Cloud system again.

Thank you for your continued support throughout this term. It has been a difficult time for us all. We really don't want children out of school for longer than necessary. When we do hear of a confirmed positive case of Coronavirus we assess who they have been in close contact with and it is only those people who need to self-isolate. That is why some children have been allowed in school where others have been asked to stay at home. Unfortunately, we do not control when results come in, so there have been times recently when we have closed bubbles throughout the day or just as the day is about to start. The decisions that we make here at Holy Trinity have the whole school community at the heart of them. Thank you again for your continued patience.
